# BOARDING LIFE

Your home away from home

**"Dorm life is amazing! After two days of being here, I was totally welcomed into the community. Everyone seemed friendly from the first day."**

- Pietro, Italy

## ACCOMMODATION AND FACILITIES

***A safe and nurturing environment for boarding, at North Broward Preparatory School.***

Located just outside of Fort Lauderdale and just 14 miles from the Paris Saint-Germain Academy USA Campus, North Broward Preparatory School is a college-style campus with outstanding facilities and amenities, with 21 buildings spanning nearly 80 acres.

Boarding students live in the International Village dormitories in shared double rooms, just steps away from their classrooms. Student-athletes have access to an array of amenities and dormitory areas are complete with kitchens, common areas, study areas, Wi-Fi, and more.

## FULL IMMERSION IN A MULTICULTURAL ENVIRONMENT

***Student-athletes share the experience of being away from home.***

Student-athletes enjoy a variety of sport, academic, cultural and personal learning experiences as a part of an extraordinary international community, with players and students coming from all over the world.

The Academy fosters a supportive and nurturing environment where all students and teammates will bond in this shared experience of being away from home and will become more open-minded, independent and responsible.

## A ROUTINE THAT BUILDS SUCCESSFUL HABITS

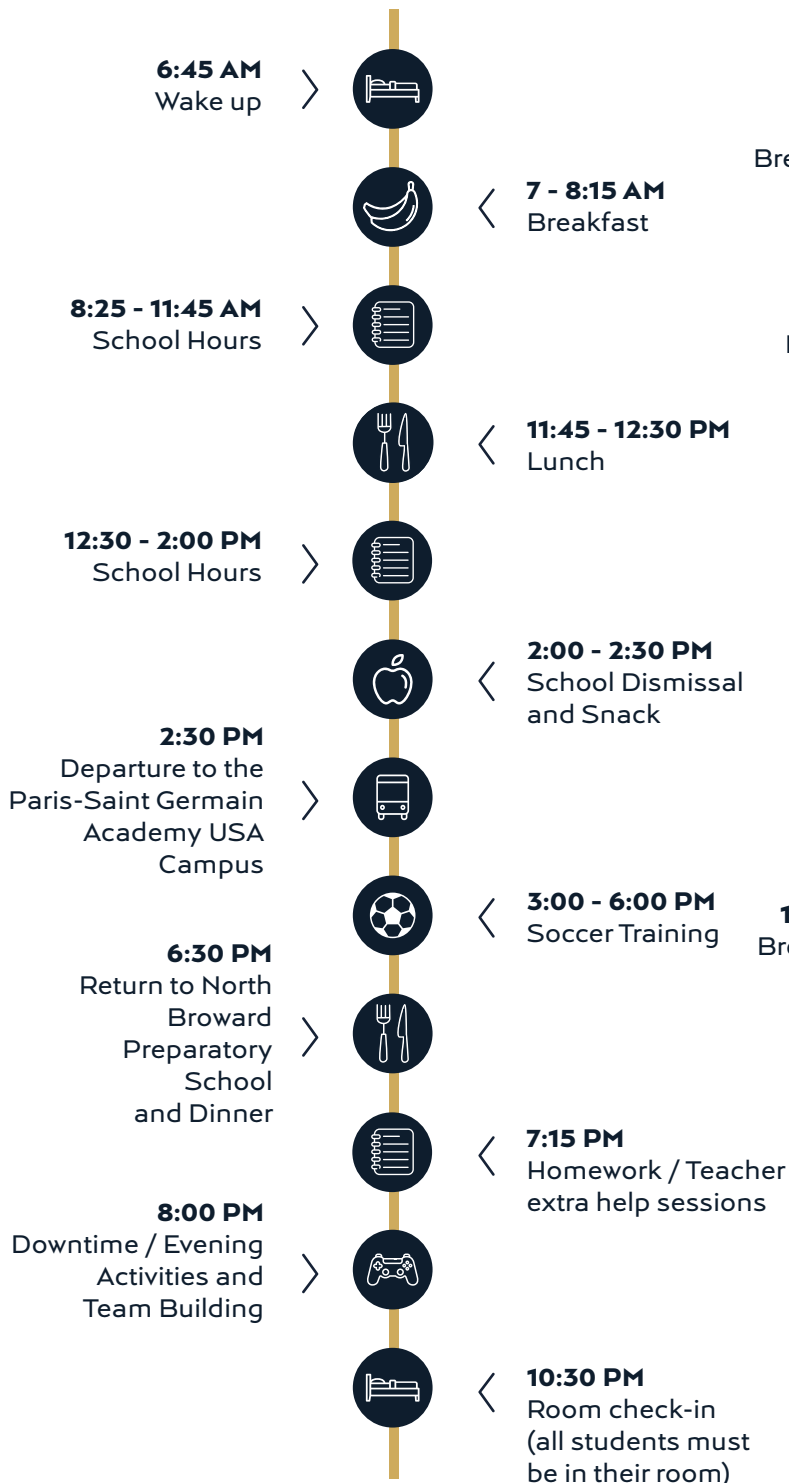

***A professional regimen combined with a rigorous educational experience provides student-athletes with the development they need to build a successful future.***

All athletes are expected to adhere to the academy's routine, developed to build healthy habits that are proven to lead the best athletes to success.

The professional staff around the players are experts in youth development and carefully chosen by Paris Saint-Germain Academy USA to train, support and condition student-athletes, allowing them to confidently exceed their limits and reach a higher and more effective level of both soccer and education.

# AN AMAZING SETTING FOR STUDENT-ATHLETE SUCCESS

**All conditions are met to allow players live an incredible experience featuring a professional regimen combined with a rigorous educational experience that will set players up for success.**

**This unique boarding program offers students-athletes a first-class education but also an exceptional global opportunity, with boarding life in a safe home environment.**

## RESIDENTIAL LIFE

A strong characteristic of the Paris Saint-Germain Academy Pro is the unique opportunity to be part of an international community and being able to learn and engage with students coming from over 30 countries. In addition to the furnished dorm-style rooms and outstanding amenities and services, student-athletes have access to recreational rooms and common areas to socialize.

A dedicated and experienced Residential Life team cares for the everyday life of boarding students and strives to create a safe and nurturing environment, to provide students with everything they need to succeed academically and socially.

## WEEKEND ACTIVITIES

Students find their home away from home with a variety of academic, cultural and personal learning experiences, among an extraordinary community of learners. They are provided with unique opportunities both on and off campus that helps build lifelong and lasting relationships and reinforces the sense of community. When not involved in weekend competitions, all of the weekend activities are included and are offered to students every weekend and planned with students' interests in mind.

## NUTRITION

The importance of nutrition and health as part of each student's overall wellbeing is crucial. North Broward Preparatory school offers nutritionally planned breakfast, lunch, dinner and brunch options that rotate daily. In addition, nutritionists can help athletes develop strategies to set a foundation to help fuel an athletic lifestyle.

## TRANSPORTATION

A proprietary shuttle transports our student-athletes to and from the Paris Saint-Germain Academy USA Campus, a drive of around 20 minutes. These moments immerse players in a professional setting and mindset, already focused on their training and objectives.

## HEALTH

Students have access to an on-site medical clinic, infirmary, registered nurses, school counselors, and outside physicians to address any student health concerns. Parents are always able to reach a member of the staff 24 hours a day, seven days a week, in addition to the online student medical record that has been put in place to facilitate communication and exchanges between parents and the health office staff.

# EXCELLING IN BOTH ACADEMICS AND SOCCER, OUR COMMITMENT

## Why have to choose between top-level soccer training or an excellent education?

Paris Saint-Germain Academy Pro's holistic approach to develop student-athletes is unmatched, combining top European soccer preparation and an outstanding academic curriculum.

Paris Saint-Germain Academy Pro has a set balance in the daily schedule of its student-athletes with defined time for soccer, classes, activities, entertainment, and rest. Students also have time allotted for quiet study and homework for the week ahead.

A tailored schedule has been designed by North Broward Preparatory School and the Paris Saint-Germain Academy Pro technical team, allowing student-athletes to excel and meet their goals in both academics and soccer.

### How does the Paris Saint-Germain Academy Pro guarantee the academic success of student-athletes?

"Students receive a strong academic preparation and curriculum by a school that has provided thousands of students with an exemplary educational experience for more than 50 years, where 100% of graduates go on to be accepted by their top-choice university.

We are ambitious for our students and our people and we believe there is no limit to what our students can achieve. So, every day, we encourage them to reach for their dreams and to step outside their comfort zones. We nurture student-athlete's talents so that they can succeed in every aspect of their education and passion.

Our school delivers a high-quality education through a personalized approach enhanced with unique global opportunities to enable every student to succeed academically, socially and personally. Last but not least, student-athletes are prepared and equipped with the necessary tools to kickstart their careers, and receive individualized advice, mentorship and individual guidance all year long from college advisors.

The Paris Saint-Germain Academy Pro is a truly unique experience offering unbelievable opportunities for students who are sharing a true passion outside the classroom."

Admissions Manager at North Broward Preparatory School

# LIVE AND DISCOVER PARADISE IN SUNNY SOUTH FLORIDA

**"Weekend trips include activities you never thought you'd be doing in your life, with friends you just made. You will make great friends here and have so many opportunities to grow as a person and in a group— not only as an individual."**

- Vanessa, Brazil

The Paris Saint-Germain Academy USA Campus and North Broward Preparatory School are ideally located in South Florida, which sees an average of 240 days of sunshine per year, making it the ideal year-round training location for our student-athletes.

In close proximity to two major cities, Miami & Fort Lauderdale's global communities are made easily accessible with two international airports (Miami International Airport & Fort Lauderdale International Airport).

## EXPLORE MIAMI AND ITS SURROUNDINGS!

Ideal tourist destinations, the Miami and Fort Lauderdale areas offer a large range of activities for leisure and learning that our student-athletes will take advantage of.

Whether it's going to the beach, watching a professional basketball game, kayaking or visiting a museum, residents will always feel fulfilled on weekends.

Trips and excursions include local beaches, NBA Miami Heat games, Disney World and Universal Studios theme parks, Bowling, Kayaking/ Canoeing, Everglades, Miami beach neighborhood visits and weekly trips to local shopping centers and museums.

### *Are the activities included?*

Yes, all of the weekend activities are included. Activities are offered to students every weekend and planned with the students' interests in mind. They offer great opportunities for residents to bond and build lifelong friendships. Students also have time allotted for quiet study and homework for the week ahead.

### ***Collegiate Level***

By following a world-class and renowned soccer program that applies a professional level of training, student-athletes are guaranteed to develop their overall skills and reach their full potential, enabling them to differentiate themselves and stand out amongst recruits from across the nation.

The Paris Saint-Germain Academy Pro soccer preparation, paired with a robust curriculum at the prestigious North Broward Preparatory School (NBPS), gives student-athletes the ability to build attractive and unique profiles that are sought-after by college coaches. Working very closely with North Broward Preparatory School, with a long-established history of academic excellence since 1957, students are academically prepared to succeed in their path to higher education and are able to attend their top-choice universities. Student-athletes are individually guided by a college counselor through the college application process.

### ***Professional Level***

Paris Saint-Germain Academy Pro is fully immersed in the path to pro American soccer landscape, providing a real development pathway for players.

Training and competition programs, as well as ID camps and showcases, are carefully chosen to identify and accelerate the development of elite youth players with the potential to reach the professional ranks. The Paris Saint-Germain Academy Pro provides student-athletes with a solid foundation that will help them excel in the American professional landscape and stand out and to be recognized by professional teams in the U.S. (USL and MLS clubs). The Paris Saint-Germain Academy Pro is directly affiliated with USL through its own club, FC Miami City, further multiplying players' options to compete within the American landscape (MLS/NWSL, USL, and UPSL).

## **PATH TO PRO OPPORTUNITIES IN EUROPE**

### ***Paris Saint-Germain exposure***

Being part of the Paris Saint-Germain Academy network allows players to benefit from exclusive exposure opportunities and be invited every year to Paris to live exclusive experiences with the club and get exposure to the highest level of youth soccer competition.

Various times throughout the year, student-athletes receive visits from the Paris Saint-Germain Academy Technical Directors from the Paris Saint-Germain Headquarters in Paris, that come to assess the strengths and weaknesses of each player and support their progress.

### ***Professional Level***

By leveraging the networks of Paris Saint-Germain and the International Center of European Football (ICEF), the opportunities student-athletes are exposed to are endless.

Student-athletes benefit from direct access to professional soccer through our partner ICEF, and its networks of professional clubs, offering the ideal path to get exposed to the highest level of competition in Europe.
