VALUE & QUALITY

Our calling at The University of Findlay is to help students find theirs. We have worked to that high purpose since the founding of Findlay College in 1882. The exceptional quality of our academic programs, focus on hands-on learning, and robust campus life and athletic programs have made UF into one of the best private universities in the Midwest.

At The University of Findlay, our mission is to prepare students for meaningful lives and productive careers. Findlay's curriculum, internships and placement initiatives, campus experiences, and undergraduate research and international experience opportunities prepare students to be leaders in their chosen career paths.

The campus is situated in the city of Findlay, a Midwestern city of 40,000

residents noted for its safe, friendly atmosphere and high quality of life.

ACCREDITATIONS

The University of Findlay is authorized by the Ohio Board of Regents and accredited by the Higher Learning Commission as well as the national accrediting organization for athletic training; business; environmental, safety and occupational health management; nuclear medicine technology; occupational therapy; pharmacy; physical therapy; physician assistant; social work and teacher education.

NATIONAL REPUTATION

The University of Findlay ranks in the top tier of the U.S. News & World Report's "America's Best Colleges" in the Midwest and was named a "Best Midwestern College" by the Princeton Review for the last four years. UF

has also been recognized as one of "America's Best Private Colleges" by Institutional Research and Evaluation Inc., and has earned national honors for campus beauty and environmental efforts.

THE RIGHT PLACE FOR YOU

The University of Findlay is conveniently located in the northwest Ohio city of Findlay. The community features an active downtown, shopping, fine dining and a strong arts and culture presence. Also, major cities are a quick road trip away.

Several large cities are located close to Findlay:

Toledo	1 hr.	Cleveland	2.5 hrs.
Fort Wayne	1.5 hrs.	Pittsburgh	4 hrs.
Columbus	2 hrs.	Chicago	5 hrs.
Detroit	2 hrs.	Toronto	6 hrs.

HOUSING AND LIVING SPACE

As international students, you can choose to live on campus or live close to campus in a non-university owned/managed apartment or house.

To help new students decide the best living option for them, the University has a number of International Welcome Houses. New international students may stay in the Welcome Houses for up to 10 days while they decide whether they want to live on or off campus. The houses are located on campus and each are staffed with a graduate assistant. All houses have furnished bedrooms, a living room, kitchen, wireless Internet and laundry facilities. The cost is \$20 per night.

For students deciding to live on campus, they will join the more than 1,300 other students who live in one of the University's eight residence halls, spacious townhouses, apartment-style cottages and special interest houses.

ACTIVITIES & ADVENTURES

Since UF is a small campus, students can be involved in as many things as they want. They can sing in the Concert- Chorale, join a social fraternity, host a show on WLFC 88.3 or become a part of any of our student organizations. Students also enjoy concerts, comedians and entertainers that perform on campus, at no additional cost.

RECREATIONAL SERVICES

UF has 24 intercollegiate sports teams and is a member of the National Collegiate Athletic Association (NCAA) Division II and of the Great Lakes Intercollegiate Athletic Conference, and competes in the Intercollegiate Horse Show Association and Intercollegiate Dressage Association.

UF also offers:

- 20 intramural sports teams, open to all students
- Cardio center with indoor track
- Game rooms with arcade-style games, ping pong and air hockey tables

HEALTH SERVICES

The Cosiano Health Center, located on campus, is a free, walk-in clinic for students, faculty and staff. The health center provides general health assessments, first aid, numerous diagnostic tests, physicals and referrals to specialists.

TRANSPORTATION SERVICES

A shuttle to local shopping and grocery stores is available free of charge on a weekly basis.

SUPPORT SERVICES

- Individualized academic advising and mentoring
- Tutoring
- Immigration advisor on staff
- Full-time credential advisor on staff

CAMPUS SAFETY AND SECURITY

- Office of Safety and Security is staffed 24 hours a day

TESTIMONIALS

My Huyen Nguyen, a native of Vietnam says, "I chose The University of Findlay because UF has an amazing TESOL Program with wonderful teachers. After coming to UF, I knew my decision was the right one. The

campus is beautiful and safe. The people are friendly and helpful."

When Maria Eugenia Velasquez Zavarce, a native of Caracas, Venezuela, decided to continue her education, all signs pointed her toward The University of Findlay. "I found the University had a distinguished MBA

Program accredited by recognized institutions, their tuition was reasonable and I had a very good feeling about the people in the University and the city," said Maria.

Lei Zhao, also known as Michael, is originally from Xi'an China, and chose The University of Findlay for two reasons. The first was the reputation and the accreditation of the Environmental, Safety and

Health Management Program. The second is because of the peaceful and safe atmosphere that surrounds the campus. "I feel I have a home here in the United States," stated Lei.

Darryl Lai from Malaysia says, "I chose UF because it has strong forensic science and biology programs. The classes and lab work are very hands-on, which allows me to learn more effectively. I receive

more personal attention with my professors compared to bigger universities I have attended."
